Dear Student,

Thank you for your interest in Harvest West Bible College Inc. We have been equipping people throughout Western Australia since 1994 and have earned a high reputation with churches and graduates as a leader in ministry training. Harvest West is part of the Australian Christian Churches, and works together with other Pentecostal/Charismatic groups and denominations – thus giving the College a true trans-denominational character. Even those outside the Pentecostal movement study at the College, as they trust our conservative, yet enthusiastic approach to ministry and training.

All our courses are outlined on the Interactive CD ROM in the accompanying Prospectus Pack. However, please be aware that this is the Harvest Network Prospectus CD and contains information relevant to other cities, as well as Perth. For information pertaining specifically to Harvest West, please see the small information booklet in the pocket at the front of the Prospectus Pack.

At Harvest West, we offer:

- **Fully accredited programs** that are very user-friendly and designed to fully equip you in the sphere of your preferred ministry, providing a greater chance of opening doors for ministry in the future
- **Flexible programs** that vary from full-time or part-time studies; on campus or external; for credit or for personal growth (audit)
- **FEE-HELP** (Degree) and **VET FEE-HELP** (Diploma).
- **Study on campus or by our external program** via DVDs that provide the same class lectures as those provided on campus (or combine campus / external studies).
- **A unique program.** Our vision is to offer you a unique balance of **Academic** subjects, **Inspiration of the Spirit**, and **Practical Ministry** (our AIM!!). Harvest West has developed a comprehensive training program that covers all facets of ministry, and is designed to train you for both present as well as future ministries. We work with your local pastor to develop you in your ministry.

However, we recognise that each person has unique circumstances so feel free to call on 9479-3443 if you have any questions regarding this Prospectus or your specific study requirements.

Remember, ALL the information and forms pertaining specifically to Harvest West are in the booklet provided with the prospectus.
